## YOUR GUIDE TO PTLLS & CTLLS @ accross

Preparing to teach in the lifelong learning sector  
Certificate in teaching in the lifelong learning sector

## Confused by the new PTTLS and CTTLS qualifications?

### Who needs a PTTLS qualification?

- Anyone teaching, instructing and/or assisting learning, whether in public or private organisations in the post-16 teaching sector, since September 1 now HAS to take the PTTLS course.

### What is PTTLS (Preparing to teach in the lifelong learning sector)?

- This is an introductory qualification that will give successful candidates the 'threshold license to teach'.
- PTTLS is a 30-hour course which must be done in the first year of teaching and it gives those who complete it their licence to practise.

Within five years all teachers then have to gain either the CTTLS (Certificate in teaching in the lifelong learning sector) or DTLLS (Diploma in teaching in the lifelong learning sector).

### What is CTTLS (Certificate in teaching in the lifelong learning sector)?

- The CTTLS course is a natural progression for those who have achieved the PTTLS award.
- This qualification will be taken by those deemed to be in the associate teacher role.

**"These qualifications are mandatory for anyone wanting to work as a teacher or associate teacher"**

## For Businesses... For Individuals...

### Why choose accross?

Well, the good news is that getting your tutors, trainers and associate teachers qualified doesn't mean lots of disruption and headaches for your organisation.

Accrington & Rossendale College is the only organisation in the UK to offer a unique service, a flexible training package, specifically tailored for every company.

Our highly qualified and vastly experienced trainers can travel to your business premises, assess your training needs and deliver them with the minimum of fuss and disruption.

Our PTTLS & CTTLS qualifications can be tailored to your exact training needs, and we can even deliver the qualifications in your workplace, at times to suit you.

### Why study at accross?

We've invested £16 million in our new campus, but that's just half the story. We've also invested heavily in our staff, ensuring that your tutors have both the right qualifications and a wealth of industrial experience to back them up.

You'll have access to some of the best tutors and facilities in Lancashire throughout your course, and you'll receive as much or as little support as you need to achieve your full potential.

At the end of the programme, successful candidates will be fully qualified to perform the duties of a teacher or associate teacher.
